

FRENCH MACARONS

Our Parisian macarons are made in the classic French tradition, sandwiching two petit crisp cookie shells together with a flavor-bursting filled center. The delicate light-as-air macarons come in assortments of six flavors, bringing joy to guests across generations and preferences. Available in three distinct flavor collections: Classic Macarons, Gourmet Macarons, and Rainbow Macarons.

INTRODUCING

MOLTEN LAVA MACARONS

NEW!

Imagine a crisp and soft macaron shell that encases a rich molten center. When you take bite, the crunch of the shell gives way to the luscious, flowing center creating a delightful contrast like you've never experienced before! Simply heat from frozen for up to 30 seconds (heating time may vary depending on microwave). At four times the size of our standard Macaron (1.9 oz or 55g), it makes the perfect individual dessert!
